Improving postal distribution system in Punjab

453. SHRI MOHINDAR SINGH KALYAN: Will the Minister of COMMUNICATIONS be pleased to state:

(a) whether it is a fact that postal distribution system in the villages of border areas of Punjab is very poor' and letters, telegrams, money orders and other letters are delivered by the Postal Department very late in these areas;

(b) if so, the reasons therefor; and

(c) the steps being taken by Government to improve the postal distribution system in the State?

THE MINISTER OF COMMUNICATIONS (SHRI BENI PRASAD VARMA): (a) and (b) The postal distribution system in the villages of the border areas of Punjab is satisfactory and the letters, telegrams, money orders etc. are generally delivered in time. However, instances of delays do occur due to various reasons such as cancellation/late running of mail-carrying buses, trains and planes, natural calamities like floods, and due to sudden and exceptionally heavy volume of mails like Corporate mail and Greetings mail.

(c) The transmission and delivery of mails and money orders in the state is continuously monitored at various levels and corrective measures are taken wherever deficiencies are noticed.
